

# CARIAD

**PETER  
BOSCH**

Chief Executive Officer

Peter Bosch is the **Chief Executive Officer** of CARIAD. He has extensive experience in the field of **transformation** and a proven track-record as a **high-level strategist, enabler and team player**. Prior to his appointment on **June 1, 2023**, Bosch was the board member in charge of manufacturing at **Bentley**, where he shared responsibility for the successful turnaround and reorganization of the company.

Bosch joined the **Volkswagen Group** in **2011**, when he became a member of the production and logistics operations management team in Wolfsburg. Before that, he worked as a senior director at Oliver Wyman in a variety of management positions. He holds degrees in Economics from LMU Munich and in Mechanical Engineering from TU Munich. In addition to his role at CARIAD, Bosch is the Volkswagen Group's representative on the Board of Scout Motors.
