CARIAD

Rainer Zugehör
Chief People Officer

Rainer Zugehör is the Chief People Officer of CARIAD. He draws on a vast knowledge in building agile organizational structures and is a seasoned expert in entrepreneurial leadership, and HR innovation. As such, he plays a key role in driving cultural transformation at CARIAD.

Rainer Zugehör holds a Ph.D. in philosophy with a focus on strategy, shareholder value, and participation. Before joining CARIAD, he founded and led his own international software company, movingimage, and worked in a senior HR management role at AUDI AG.

In addition to his role at CARIAD, Zugehör serves as Chairman of the Board for the Institute of History and Future of Work and is a member of the Jury for the HR Start-Up Award.
